## Viagra

A woman asked a pharmacist "Do you sell Viagra?"

Yes he replied.

She asked, "and does it work?"

"Oh yes it certainly does" answered the chemist.

She said, "Can you get it over the counter?"

He replied, "I can if I take two."

## Little Johnny

A teacher asks the kids in her 3rd grade class:

"What do you want to be when you grow up?" Little Johnny says: "I wanna hit the Powerball and be a billionaire, go to the most expensive clubs, find me the finest whore on the planet, give her a Ferrari worth over a million bucks, an apartment in Copacabana, a mansion in Paris , a jet to travel throughout Europe, and an Infinite Visa Card, and bang her three times a day in the most exotic places on earth". The teacher, shocked, and not knowing what to do with this horrible response- from little Johnny, decides not to acknowledge what he said and simply tries to continue with the lesson .... "And how about you, Sarah?"

"I wanna be Johnny's whore".

## Love Story

"Hi. I'm Jane" she said

"I'm Christopher" he replied, but everyone calls me Dick for short.

"Dick" she said. How do you get Dick from Christopher?

"Ask nicely" he replied.

# Hash Hound Returns: A Run Report by Bella 17<sup>th</sup> February 2014

After being imprisoned in our flat for three weeks it was lovely to attend a hash at last. The hash in question was Small Prick's (S.P/) hash at the Golden Crane in Cranham.

The circle was called to order at 7:00 by Heapo and at 7:05 we were off and running. Poor old Corpse Shagger (C.S.) had a really hard time keeping up with me, but after being cooped up in the flat for so long I had no intention of taking it easy.

As we were running through an alley S.P. stamped in a puddle intending to get C.S. but instead soaked me! (rather unfair of him I thought. Oh well, all in the fun of the hash I suppose).

I ran round a corner and there it was... A FOOTBALL!!! I decided I must have it but just as I was about to grab it Casey picked it up and ran off with it. I was gutted.

We came to the first check but I didn't want to stop. I just wanted to carry on running. I let everybody know how I felt by letting out some really loud yelps, which could be heard in London I reckon.

We were soon on our way again and suddenly came across a kissing gate. I have great fun at these causing C.S all sorts of problems. This time I just ran straight underneath the gate trapping him in the middle part (you should have heard him yelp!). Luckily S.P. was there and he took hold of my lead so that c.s. could free himself. Great fun!!!

On we went through fields and woods full of lovely shiggy. I love this sort of terrain and I ran as fast as I could. C.S. had real trouble staying on his feet. One of these days I will have him flat on his back.

As I emerged from the woods I was met with a very unusual sight, Tena Lady (T.L.) on a swing! There was two other hashers (I'm not sure who as it was dark) on a see-saw (what juveniles).

Eventually we arrived at the beer stop. Frogman poured beer over C.S.'s head. That was very funny. Blowdry gave a rather good impression of a foghorn, enticing everyone to more beer..She was louder than my yelps at the check.

After the beer stop we were on our way back to the pub. C.S. emptied the contents of a puddle over T.L. I think that was in retaliation for S.P. soaking me earlier.

We arrived back at the pub but unfortunately I wasn't allowed in so I sulked in the car then had a kip.

On the hole I thought it was a good run, well marked and some interesting shiggy parts.

Well done Small Prick and roll on the next hash
